**Release Notice**

This is the October 2016 release of MC Start 2016  
Release Notes.

## Introduction

---

These Release Notes describe new features and improvements in the MC Start 2016 software.

## New features and changes

---

- **New Rhinoceros 5 plug-in** – A new plug-in for Rhinoceros 5 has been added in this version. The plug-in has the same workflow as the CAD and Revit plug-ins. For more information see the MC Start Getting Started Guide, or download a full version for 90 days from [www.rhino3d.com](http://www.rhino3d.com)
- **Support Autodesk AutoCAD 2017** – This version includes support for the following AutoCAD products: AutoCAD 2017, AutoCAD LT 2017, AutoCAD Architecture 2017, AutoCAD MEP 2017, AutoCAD Civil 3D 2017 and AutoCAD Map 3D 2017.
- **Support Autodesk Revit 2017** – This version includes support for Revit 2017.
- **Support BricsCAD v17** – This version includes support for BricsCAD v17.
- **Copy Special** – A new option Copy Special has been added in this version. You can now specify the format, decimal precision and put the selection on the clipboard in the MC Start software.
- **Help Library Update** – The MC Start Help Library has been updated with the latest Ribbon User Interface and new features in CAD, Revit and Rhino.
- **Getting Started Guide Update** – The MC Start Getting Started Guide has been updated with the latest Ribbon User Interface and new features in CAD, Revit and Rhino.

## License Activation

---

When you launch MC Start for the first time, you will be asked to activate MC Start. Click Activate and enter your information in the required fields and then click submit. An email with the required activation key will be sent to your email address. Please check your email after pressing submit and enter the activation key to activate the software.

The MOST RECOMMENDED way to enter the activation key correctly is to copy it from the email message (using Ctrl+C or the clipboard) and then paste it into the Activation Key field (using Ctrl+V).

## Technical support

---

If you have a problem and cannot find the information you need in the product documentation, please contact your local dealer. Alternatively, you can go to the Support area of the MOUS Software website ([www.moussoftware.com](http://www.moussoftware.com)). Select the product you need information on. Product updates, documentation, and any support issues are available for download.

If you need to contact MOUS Software, please email [support@moussoftware.com](mailto:support@moussoftware.com)

## System Requirements

---

- **Operating system** – Microsoft® Windows® XP, Windows Vista, Windows 7, Windows 8 or Windows 10 (32- and 64-bit versions)
